Commodity Forums and Meetings

Welcome to our annual Legislative and Commodity Conference. You will notice Commodity Forums on Tuesday and a further breakout into specific Commodity Committee Meetings on Wednesday. We encourage you to attend the forum and committee that interests you the most.

These meetings will provide insights and plans regarding top issues in the industries listed. The commodity forums will also answer questions and help you formulate ideas on how to move Farm Bureau Policy forward.

Everyone is invited and encouraged to attend the committee forums and meetings. We have selected key speakers and topics in order to provide insights and ideas for all producers. **We appreciate your involvement and attendance in these meetings.**
